

# WELCOME

---

Dear Menger Guest,

Welcome to the Historic Menger Hotel.

It is our pleasure to have you with us at one of the oldest continuously operating hotels west of the Mississippi, and a proud member of Historic Hotels of America. Located steps from the Alamo, the Menger has been part of Texas history since 1859, welcoming presidents, dignitaries, soldiers, and travelers from around the world. Within these walls, moments of history have unfolded, and traditions of hospitality have been carried forward for generations.

Today, we are honored to continue that legacy by offering a blend of historic charm and modern comfort. As you explore the hotel, you will experience the architectural beauty, timeless spaces, and rich character that have made the Menger a true landmark in San Antonio.

This directory is designed to guide you through our services and dining options. Should you require any assistance or wish to enhance your stay in any way, our Front Desk team is always at your service.

Thank you for choosing the Menger Hotel. We are truly grateful for your visit and look forward to making your stay memorable.

Kind regards,

The Menger Hotel Team

## Roosevelt's Connection

In 1898, Colonel Leonard Wood and his lieutenant-colonel (and future president of the United States), Theodore Roosevelt, set up an enlistment table at the Menger Bar where they recruited over 1,250 men to form the Rough Riders, the most popular volunteer regiment in the history of the world.

## Featured Cocktail

Traditionally made with bourbon or rye whiskey, lightly sweetened with sugar and aromatized with bitters - The Old Fashioned, being one the most classics of vintage cocktails, is served over ice in a heavy-bottomed tumbler and garnished with an orange zest twist.
